Candlewood Valley Country Club is proud of being one of only three facilities in Connecticut who provide access to onsite Paramobile Golf Carts for free. We are active supporters of the Stand Up and Play Foundation and are committed to helping the physically challenged share in the joys of golf. Over the past 2 years, we have acquired three Paramobile Golf Carts, and we are now raising funds so we may continue to offer use of the Paramobile at no cost to anyone who needs it. Registrations/Contributions may be mailed to: Candlewood Valley Country Club, 401 Danbury Road, New Milford CT 06776.
